

UNIVERSAL CINEMATIC WEBSITE

PRODUCTION KIT

Karen Organization of America

Filled out from the existing website at [public/koa/](https://public.koa/)

You are an award-winning Creative Director, Storyboard Artist, AI Prompt Engineer and Senior Web Experience Designer.

Your task is to generate ONE complete Cinematic Website Production Kit.

Do NOT explain your thinking.

Do NOT provide theory.

Do NOT brainstorm.

Do NOT give alternatives.

Return ONLY the final production kit.

Website Category:	Non-profit / community advocacy organization ? national Karen diaspora heritage & civic organization
Product / Business:	Karen Organization of America (KOA) ? a national body connecting Karen communities across the United States through civic education, community engagement, and humanitarian assistance
Brand Name:	KOA ? Karen Organization of America
Visual Style:	Cinematic scroll-storytelling ? full-bleed photography, glass-morph text panels, navy/cream editorial palette, serif display headlines (Libre Caslon Display), sans-serif body (DM Sans). Each page opens with a 2,400-frame scroll-driven film of 4?5 scenes, then transitions into structured editorial content sections.
Primary Colors:	Navy #101743, Navy-2 #22245F, Red #ED3038, Red-Dark #B9162B, Cream #F4EDE1, Gold #E3B45C, Muted #C8C2B8, Grey #52606C
Reference Product Image:	KOA seal with white circular lettering (koa-seal-white-lettering-v2.png) ? torch emblem; also real Facebook photography of Karen community gatherings, Capitol advocacy visits, sports tournaments, and humanitarian trips

KOA ? Karen Organization of America

Many places. One community.

Established 2018 · Omaha, Nebraska

National, dignified, cinematic. A dark, oceanic navy backdrop anchors full-bleed community photography. Glass-morphic text panels float over images with gold accent lines. The scroll is the story ? each of the five pages opens with a 2,400-frame scroll-driven film where scenes dissolve through community, founding, civic education, programs, and invitation. The mood moves from institutional solemnity to warm intergenerational belonging. A torch-flare glows from the KOA seal on the opening frame. The palette evokes advocacy (red), heritage (gold seal), and trusted community (navy + cream).

The site is a five-page cinematic scroll experience. Each page opens with a sticky-positioned scroll-film (900svh tall, 2,400 frames) cycling through 4?5 full-bleed photographic scenes with glass text panels. Scrolling animates a parallax Ken Burns effect on each image, crossfades between scenes, and advances a frame counter and chapter dots. After the film, each page drops into structured editorial content ? fact grids, link cards, tab navigators, contact directories, and a public review register.

SCENE FLOW (Home page ? five chapters):

Scene 1 ? Logo Reveal: The KOA seal orbits in darkness. A conic-gradient aura of red, gold, and indigo sweeps behind it. As the user scrolls, a torch-flare ignites at 13% of the seal. The words "Karen Organization of America" and "Established 2018 · Omaha, Nebraska" emerge in a glass center panel.

?

Scene 2 ? National Community: Full-bleed portrait of Karen community members gathered together. "Karen communities across the United States." KOA connects communities, leaders, families, and young people around a shared future.

?

Scene 3 ? Founding History: A founding-era photograph of Karen leaders. "KOA was founded by leaders from twenty states." More than fifty leaders met in Omaha and formed the Karen Organization of America. June to August 2018.

?

Scene 4 ? Civic Education & Advocacy: A photograph of Karen advocates at the U.S. Capitol. "Civic education and public advocacy." Advocacy training, youth leadership, public-system learning, and local action prepare people to participate with confidence.

?

Final Reveal ? Programs & Invitation: A generated community-network image. "Leadership, community, and humanitarian support." Program areas: civic education, community engagement, and humanitarian assistance. A CTA links to the Programs page.

PAGE-LEVEL STORY FLOWS:

Home:	Five chapters: logo reveal ? national community ? founding ? civic education ? programs reveal (2,400 frames)
About:	Four movements: founding ? vision ? mission ? culture & language (2,400 frames), then founding timeline, vision/mission cards, 11-community coalition list, S'gaw Karen language section, dictionary preview tool
Programs:	Four fields: civic education ? community engagement ? humanitarian assistance ? participation (2,400 frames), then 3-tab program navigator, related sections, program information status
Stories:	Four moments: public advocacy (Capitol) ? sport ? Kawthoolei humanitarian ? culture (2,400 frames), then community photo gallery, community resources, portfolio & review room
Contact:	Four invitations: contact ? partnership ? Facebook ? next step (2,400 frames), then contact grid (email/Messenger/Facebook), "before you write" guide, leadership contact directory, publishing boundary

The website is a static multi-page site (no build step). All files live under public/koa/.

The site uses scroll-driven photographic hero scenes (not static hero banners). These are the keyframe images that populate the scroll-film across all five pages. 10 keyframes total. Every image after the first continues from the previous ? maintaining the same cinematic navy palette, warm gold rim lighting, and editorial documentary tone.

Filename: koa-seal-white-lettering-v2.png

AI Image Prompt: Circular organizational seal on pure midnight navy (#101743) background. White lettering arranged in a ring: 'KAREN ORGANIZATION OF AMERICA' at top, 'ESTABLISHED 2018' at bottom. Center: a torch flame emblem in warm gold (#E3B45C) and red (#ED3038). Subtle conic-gradient aura behind the seal ? red, indigo, gold, indigo. Dark cinematic vignette. No people. Symmetrical, institutional, dignified.

Filename: hero-community-mobile-enhanced.png

AI Image Prompt: Wide documentary photograph of Karen community members gathered together at an indoor community event in the United States. Warm golden ambient light from above. Deep navy shadow tones. People of all ages ? elders, families, young adults ? in conversation and celebration. Shot at eye level, full-bleed. Cinematic color grade: navy shadows, warm midtones, gold highlights. Shallow depth of field. Authentic, dignified, not posed.

Filename: history-founding-mobile-enhanced.png

AI Image Prompt: Documentary photograph of Karen community leaders at a formal founding-era gathering, 2018. A conference hall in Omaha, Nebraska. Leaders seated and standing, mid-discussion. Same navy/gold grade. Slightly wider angle to show the scale ? at least fifty people visible. Warm tungsten interior light mixed with cool window light. Cinematic vignette. Continuation: same camera character, same grade.

Filename: fb-capitol-group-mobile-enhanced.png

AI Image Prompt:

Documentary photograph of Karen advocates at the United States Capitol building in Washington, D.C. Group of adults and young adults, waist-up framing, standing on the Capitol lawn with the dome visible behind. Late afternoon golden light. Same navy/gold cinematic grade. American flags visible but not dominant. Warm, proud, civic expression.

Filename:

story-network-original.png

AI Image Prompt:

AI-generated cinematic illustration of a Karen community network ? an abstract warm visualization of connected people, families, and pathways across a map of the United States. Navy background, gold connection lines, warm red nodes. Suggested but not literal. Continuation: same navy palette, gold accents, warm documentary tone.

Filename:

fb-outdoor-gathering-mobile-enhanced.png

AI Image Prompt:

Filename:

youth-advocacy.jpg

AI Image Prompt:

Young Karen adults and teenagers in a civic education workshop or advocacy training setting. A classroom or community center. Engaged, leaning forward, taking notes. Same navy/gold grade. Shallow depth of field on one youth in the foreground. Warm overhead light.

Filename:

kawthoolei-trip.jpg

AI Image Prompt:

Documentary photograph of a community solidarity visit to a rural village in Kawthoolei (Myanmar/Burma border region). Families receiving humanitarian support ? food, water, shelter. Warm golden hour light. Dense tropical greenery in deep navy shadow. Same grade. Dignified, not pitying.

Filename:

sports-tournament.jpg

AI Image Prompt:

Karen community sports tournament ? an outdoor field with teams in uniform, spectators on the sidelines. Sepak takraw or soccer. Late afternoon golden light. Wide action shot with warm haze. Navy shadows.

Filename:

story-community-original.png

AI Image Prompt:

AI-generated cinematic illustration of an intergenerational Karen community gathering ? elders, parents, and children sharing a cultural moment. Warm circular composition. Navy background, gold light from above, cream-toned faces. Abstract but warm and human.

Three premium editorial sections appear below each page's scroll-film. These supporting images populate the fact grids, photo galleries, and card sections.

Section Name: Three ways we serve ? Programs fact grid

Purpose: Anchored on the Home page below the scroll film. Three cards describe the organization's three program pillars: Civic Education, Community Engagement, and Humanitarian Assistance.

Image(s): No dedicated images ? typography-driven cards with large serif numerals (01, 02, 03). Alternate cream and navy backgrounds.

Recommended Animation: Light-sweep sheen on hover (CSS ::after pseudo-element with skew gradient sweep). Card background lifts to rgba(255,255,255,0.14). Red box-shadow glow. 0.32s cubic-bezier transition.

Section Name: Community gatherings and learning

Purpose: On the Stories page below the scroll film. Two large-figure photo frames show real community photography alongside one generated scene.

Filename(s): fb-community-group-mobile-enhanced.png (real),
programs-community-mobile-generated.png (generated)

AI Image Prompt: fb-community-group: 'Large Karen community group gathered outdoors, wide documentary shot, warm daylight, authentic candid expressions, navy/gold grade.' programs-community-generated: 'Community members gathered for education and planning in a warm-lit hall. Cinematic navy background, gold rim light, AI-enhanced but naturalistic skin tones.'

Recommended Animation: Photo frames have a soft box-shadow lift. Generated frame inverts to navy background. No heavy parallax. Light-sweep on frame border on hover.

Section Name: Current information and remaining approvals

Purpose: On the Home page (bottom). A transparent register of what content is available vs. what still needs community approval. Six rows cover: organization facts, program information, language, identity/media, directory, and publishing.

Image(s): No images ? typographic editorial register with large serif headlines, upper-case eyebrow labels, and available/still-needed paragraphs.

Recommended Animation:

Rows stagger into view with a gentle opacity + translateY fade on scroll-into-view (intersection observer). 5px bottom border per row. Gold left-border on active row.

The current site does not use video assets ? the cinematic experience is scroll-driven, not video-driven. However, for a full Production Kit upgrade, the following 4 cinematic videos would replace or augment the scroll-film on key pages. All videos must connect smoothly ? continuing the same camera, lighting, brand, and palette.

Filename:	vid-01-reveal.mp4
Start Image:	koa-seal-white-lettering-v2.png
End Image:	hero-community-mobile-enhanced.png
Motion Prompt:	Camera dollies forward into darkness. KOA seal rotates slowly. Torch flare ignites top-left, growing from 0 to full bloom. Red-gold conic aura pulses behind. As camera continues forward, the seal recedes and the first community photograph fades in ? warm golden light replacing the dark void.
Duration:	8s
Filename:	vid-02-founding.mp4
Start Image:	hero-community-mobile-enhanced.png
End Image:	history-founding-mobile-enhanced.png
Motion Prompt:	Slow horizontal pan across the community gathering ? left to right. People in warm conversation. As the pan reaches the right edge, the image dissolves into the founding conference room. Camera pushes in gently on a seated leader mid-speech. Warm tungsten light flickers. Navy grade holds throughout.
Duration:	6s
Filename:	vid-03-civic.mp4
Start Image:	history-founding-mobile-enhanced.png
End Image:	fb-capitol-group-mobile-enhanced.png
Motion Prompt:	Camera tilts up from a document on a table to reveal the conference hall, then crossfades to the U.S. Capitol exterior. Group of Karen advocates walks forward toward camera on the Capitol lawn. Late afternoon golden light raking from the left. Flags flutter gently. Warm, dignified, civic.
Duration:	7s

Filename:	vid-04-programs.mp4
Start Image:	fb-capitol-group-mobile-enhanced.png
End Image:	story-network-original.png
Motion Prompt:	Groups on the Capitol lawn wave and disperse. Camera cranes up to a wide aerial. The photograph dissolves into the abstract community-network illustration ? gold connection lines animate outward across a dark map of the United States. Red nodes pulse at city points. Warm, hopeful, connecting.
Duration:	6s

The site has five pages, each following the same structural pattern:

Header (fixed, 70?82px) ? Brand logo, nav links, search, motion toggle, mobile menu

?

Hero (900svh scroll film, 2,400 frames, 4?5 scenes) ? sticky full-bleed photographic scenes with glass text panels, frame counter, chapter dots, Ken Burns parallax

?

Section 1 ? Primary content (cream or navy): intro heading + fact grid or cards

?

Section 2 ? Navigation / related links (alternating navy/cream): link cards

?

Section 3 ? Context / status / review: transparency cards

?

Footer (dark #03101c): brand, tagline, footer nav, Facebook link

HOME PAGE

Hero film:	5 scenes: logo reveal ? national community ? founding ? civic education ? programs
Section 1:	Three ways we serve ? fact grid (civic education, community engagement, humanitarian assistance)
Section 2:	Explore KOA ? link grid to About, Stories, Contact
Section 3:	Content awaiting confirmation ? events, leadership, impact reports (all pending)
Section 4:	Public review register ? 6 rows of available/still-needed content transparency

ABOUT PAGE

Hero film:	4 scenes: founding ? vision ? mission ? culture & language
Section 1:	KOA founding timeline ? June 13 conversation, August 8 national gathering, 2018 KOA formed
Section 2:	Vision and mission ? two link cards + link to Programs
Section 3:	National coalition ? 11 named community organizations in a collapsible list
Section 4:	S'gaw Karen language section + community dictionary preview tool

PROGRAMS PAGE

- Hero film:** 4 scenes: civic education ? community engagement ? humanitarian assistance ? participation
- Section 1:** Program navigator ? 3 tabs (civic / community / humanitarian) with activity lists
- Section 2:** Related sections ? links to Stories, About, Contact
- Section 3:** Program information status ? confirmed/review/future status cards

STORIES PAGE

- Hero film:** 4 scenes: public advocacy (Capitol) ? sport ? Kawthoolei ? culture
- Section 1:** Community gallery ? 2 large photo frames (real + generated)
- Section 2:** Community resources ? links to leadership programs, engagement, Facebook
- Section 3:** Portfolio and review room ? live/review/pending status cards

CONTACT PAGE

- Hero film:** 4 scenes: contact ? partnership ? Facebook ? next step
- Section 1:** Contact grid ? 3 cards: Email KOA, Messenger, Facebook
- Section 2:** Before you write ? 3 tips: introduce yourself, describe the goal, suggest a next step
- Section 3:** Leadership directory ? Nay Htoo (President), Greh Moo (Joint Secretary), Eh Nay Thaw (Advocacy Coordinator)
- Section 4:** Publishing boundary ? public/private/unfinished content boundary cards

The following is a copy-paste-ready prompt to rebuild this website with Claude Code or any equivalent AI coding agent:

Build a five-page cinematic website for the Karen Organization of America (KOA).

BRAND

- Name: Karen Organization of America (KOA)
- Tagline: "Many places. One community."
- Established 2018, Omaha, Nebraska
- Fonts: Libre Caslon Display (serif headings), DM Sans (body/UI)
- Colors: Navy #101743, Navy-2 #22245F, Red #ED3038, Red-Dark #B9162B, Cream #F4EDE1, Gold #E3B45C, Muted #C8C2B8

PAGES

- index.html (Home), about.html (About), programs.html (Programs), stories.html (Stories), contact.html (Contact)
- storytelling.css (all styles), storytelling.js (all interactivity)

HEADER (fixed, z-index 60)

- Brand: logo image (42-48px) + "KOA" in serif + "Karen Organization of America" small caps
- Nav: Home, About, Programs, Stories, Contact ? serif links, gold on aria-current
- Tools: search button (opens dialog), motion toggle (localStorage), mobile menu
- On mobile: nav becomes full-screen overlay, brand subtitle hidden
- Scrolled state: background solidifies, box-shadow appears

HERO ? SCROLL FILM (the signature interaction)

- Section height: 900svh (creates scroll distance for the animation)
- Sticky inner stage: 100svh, overflow hidden, radial gradient backdrop (navy-2 to navy to #080d2d)
- 4-5 scene articles per page, each absolutely positioned, starting invisible
- Scroll progress drives a 2,400-frame counter and gradient progress bar (red to gold)
- Chapter dots on right rail (clickable, keyboard accessible)
- Each scene: full-bleed background image, glass text panel, secondary glass info card
- Scene text uses data-beat attributes ? fade in with translateY + scale per scroll
- Parallax: images scale and translate based on --local CSS variable (Ken Burns effect)
- Crossfade between scenes: opacity transitions tied to scroll position within each scene span
- Logo scene (Home only): conic-gradient aura, seal image, torch flare ignites on scroll

CONTENT SECTIONS (below the film)

- Alternating cream (#F4EDE1) and navy (#080d2d) backgrounds
- Eyebrow labels (gold/red, uppercase, tracking 0.19em)
- Large serif headings (clamp 3rem to 7rem, letter-spacing tight, line-height 0.9)
- Fact grids: 1 column mobile, 3 columns desktop, 1px gap, hairline borders

- Link cards: hover swaps background, arrow indicator
- Tab navigator (Programs): role=tablist, aria-selected, keyboard navigable
- Contact grid: 3 cards with red action buttons
- Review register: large serif headlines per row, available/still-needed paragraph pairs

FOOTER (dark #03101c)

- Brand logo + name, one-line tagline, footer nav, Facebook link (gold)

DIALOGS

- Search dialog: modal, filterable page list, keyboard "/" shortcut
- Mobile menu: body.nav-open class, full-screen overlay nav

SCROLL ANIMATIONS

- requestAnimationFrame-throttled scroll listener
- CSS custom properties: --progress, --local, --swallow, --scene-scale, --soft-blur
- Scene opacity: fadeIn/fadeOut clamped curves based on scroll position
- Image transform: scale(1.18 - local * 0.13) translate3d(...) rotate(...)
- Chapter dot magnet: settleFilm() snaps to nearest scene boundary on scrollend

ANIMATED BACKGROUND

- Logo scene: conic-gradient pseudo-element, 24s linear infinite rotation, blur(95px)
- Film stage: radial-gradient(circle at 72% 36%, navy-2, navy, #080d2d)
- Content sections: solid colors, soft hover shadows, light-sweep pseudo-elements

RESPONSIVE DESIGN

- Mobile-first: single column, mobile menu, simplified headers
- @media(min-width:760px): 3-column grids, static nav, wider gutters, larger headings
- Clamp() for fluid typography, safe-area focal positioning for mobile imagery

PERFORMANCE

- All images local (no CDN), JS deferred, no frameworks
- GPU-accelerated transforms with will-change, no build step ? plain HTML/CSS/JS

MOBILE OPTIMIZATION

- Sticky film works on touch scroll
- Motion toggle: disable all animations (localStorage 'koa-motion')
- prefers-reduced-motion: respected ? film becomes static stacked scenes
- Skip-to-content link, semantic HTML, ARIA labels

ACCESSIBILITY

- Semantic sectioning: header, nav, main, footer
- aria-current on active nav, role=tablist/tab/tabpanel
- Focus-visible: 2px gold outline
- Dialog: showModal() with backdrop, Escape to close
- Chapter dots: role=button, keyboard-navigable

RULES

- The website must NOT look like a generic AI website
- It must look like a premium Behance or Awwwards project
- Every section must connect naturally with the next
- Every image must continue the previous image (same grade, palette, camera character)
- The scroll film is the signature ? cinematic, not gimmicky
- All copy must be authentic to KOA's real history (founded August 8, 2018, Omaha, Nebraska)
- Maintain transparency: unfinished content labeled in the review register, never presented as final

Return ONLY the production kit. Do NOT explain anything.
